5 ~~— (14) Establish no more than four classifications for deductible amounts. In establishing~~  
6 ~~classifications, the bureau shall consider size of member, loss experience, and other~~

9 Section 5. That § 3-22-7 be amended to read as follows:

11 ~~PEPL shall pay any valid claim up to the limits established by § 3-22-1, except claims for~~

13 ~~chapter. Payment shall be based upon any final judgment or agreed upon settlement except that~~  
14 ~~each member other than the state shall reimburse the PEPL, as a deductible amount, the first five~~  
15 ~~thousand dollars of any claim including associated attorney's fees and expenses. Prior to~~  
16 ~~payment of any claim, the director shall consult with the attorney general to determine if the~~  
17 ~~claim should be further contested through trial, appeal, collateral attack, or should be paid. If~~  
18 ~~the director and attorney general cannot agree upon the proper course of action the matter shall~~  
19 ~~be submitted to the bureau whose direction is final. PEPL may pay a covered claim established~~  
20 ~~by judgment or negotiated settlement as provided in the coverage document and which is not~~  
21 ~~barred or avoidable through sovereign immunity or other substantive law. No employee is~~  
22 ~~subject to personal liability for any covered claim in excess of the coverage provided by PEPL.~~  
23 The PEPL shall be fully subrogated to any right of recovery a ~~member~~ state entity or employee  
24 may be entitled to, associated with any claim paid pursuant to this section.

Section 6. That § 3-22-8 be repealed.

~~3-22-8. Except as limited by agreement between the bureau and a sub-pool or the state, the PEPL shall pay any valid claim up to the limits established in § 3-22-1, except claims for punitive damages, for which any member's employee shall be personally liable for any act or omission arising from that employee's scope of employment. The same conditions set out in § 3-22-7 apply, except that the dollar amounts set out therein shall be attributed to the member employing the employee.~~

Section 7. That § 3-22-9 be repealed.

~~3-22-9. Notwithstanding §§ 3-22-7 and 3-22-8, the bureau may, upon the request of a member, establish a deductible amount other than five thousand dollars. In no event may the bureau establish a deductible less than one thousand dollars. The contribution formula for each member established pursuant to § 3-22-13 shall take into account the member's deductible amount established pursuant to this section.~~

Section 8. That § 3-22-10 be repealed.

~~3-22-10. Notwithstanding any other provision of law, whenever a final judgment establishes a claim, the claimant may recover against a member or employee only under a structured settlement arrangement with the PEPL that will result in payout of no more than two percent of the fund in any one year as determined at the time of the occurrence of the action giving rise to the claim. This is the exclusive remedy for any claim against a member or an employee. For the purpose of payment of claims covered by any contract of insurance purchased by the bureau, the maximum payout on a single claim in a single coverage year is two hundred thousand dollars. Attorney's fees associated with any claim subject to this section shall be prorated in conformance with the structured settlement. Any reserve funds established pursuant to this chapter are not assets of the fund for the purposes of this section. All claims shall be paid as~~

1 provided herein on or about June thirtieth of each succeeding year in order to facilitate proration  
2 of all claims. The bureau may authorize prepayment of all or any part of any claim provided  
3 provision is made in the payment agreement for return to the fund of a portion of the prepaid  
4 claim in order to satisfy the proration provisions of this section. In the event available reserves  
5 of the fund result in a proration under this section, the unsatisfied portion of any claim may be  
6 carried forward from year to year for as long as a judgment would be valid under the laws of this  
7 state.

8 Section 9. That § 3-22-11 be amended to read as follows:

9 3-22-11. ~~In any claim in which the PEPL is involved, the bureau may establish the amount~~  
10 ~~at which it would settle the claim. If the claimant is willing to settle within the amount~~  
11 ~~established by the bureau and the member refuses to consent, the director shall certify the~~  
12 ~~amount agreed upon to the member and thereafter the fund is not liable for any claim, including~~  
13 ~~attorney's fees and expenses, beyond the amount certified. The director, at the director's sole~~  
14 discretion, may determine the disposition or payment amount of any covered claim. However,  
15 the director shall consult with the attorney general prior to entering a negotiated settlement of  
16 any civil action arising from a covered claim.

17 Section 10. That § 3-22-13 be repealed.

18 ~~3-22-13. There is imposed an initial contribution on all members, who join prior to July 1,~~  
19 ~~1988, other than the state, to be paid as determined by the bureau to the PEPL fund in no more~~  
20 ~~than four equal installments throughout the fiscal year. Such assessment shall be one half of one~~  
21 ~~percent of the total annual budget for school district members and one percent of the total annual~~  
22 ~~budget for all other members. If members of an existing risk or liability pool arrangement join~~  
23 ~~the PEPL fund as a sub-pool, their initial contribution shall be established in the agreement~~  
24 ~~between the sub-pool and the bureau giving consideration to contributions made to the sub-pool~~

1 ~~and may be more or less than the initial contribution established in this section. The bureau shall~~  
2 ~~determine a contribution formula for subsequent contributions which allocates pool costs on an~~  
3 ~~equitable basis. The development of the contribution formula shall consider various exposures~~  
4 ~~and rating bases, historical loss experience and discounts from commercial insurance premiums.~~  
5 ~~Any contribution not paid within ten days of the due date established by the bureau shall accrue~~  
6 ~~interest penalties at the rate of two percent per month. No state warrant for state funds under any~~  
7 ~~provision of law may be issued to any member more than thirty days in arrears in making the~~  
8 ~~contribution payment provided herein. Contributions by the state will be established as follows:~~  
9 ~~one million dollars (\$1,000,000) appropriated in this chapter is the state's initial contribution~~  
10 ~~subject to subdivision 3-22-5(10). The remaining eight hundred and fifty thousand dollars~~  
11 ~~(\$850,000) is for payment of claims and the funding of reserves. If any of said funds are placed~~  
12 ~~into any reserve fund such amount may not be counted for triggering distribution of surplus~~  
13 ~~pursuant to § 3-22-14 nor may any of this money be distributed as surplus except as provided~~  
14 ~~in § 3-22-20. The eight hundred fifty thousand dollar reserve fund, less any amounts paid in~~  
15 ~~satisfaction of claims against the state, shall be repaid to the state general fund upon a~~  
16 ~~determination by the bureau that other reserve funds are adequate to meet the needs of the fund~~  
17 ~~but in no event later than June 30, 1992. By November first of each subsequent year the director~~  
18 ~~shall report to the Governor the estimated amount of contribution required to extend coverage~~  
19 ~~to the state for the next contribution year including amounts required for reserves. The director~~  
20 ~~shall notify the Governor if the current year's estimate was less than the contribution required~~  
21 ~~and a shortfall exists. If the Legislature fails to appropriate the estimated amount and the~~  
22 ~~shortfall from the previous coverage year reported to the Governor the state's membership in the~~  
23 ~~PEPL shall terminate at the close of the then current coverage year. The board shall notify all~~  
24 ~~remaining members of the state's withdrawal from the fund.~~

Section 11. That § 3-22-13.1 be repealed.

~~3-22-13.1. The bureau of the PEPL fund is hereby authorized as the reserve funding authority for the PEPL fund and associated sub-pools. To implement this authorization, the bureau may issue bonds, certificates of participation, and other instruments to accomplish the objectives of this chapter. The bureau may exercise any or all powers enumerated in chapter 1-16E and in addition may issue bonds that do constitute a debt or obligation of member political subdivisions provided any such bond is secured for payment of principal and interest by the proceeds of irrepealable tax levies of the participating member political subdivisions as provided in this chapter.~~

Section 12. That § 3-22-14 be repealed.

~~3-22-14. The bureau shall, from time to time, examine the claims reserves of the PEPL for each coverage year and, in the event the bureau determines that there is a surplus for such coverage year, the bureau may distribute such surplus to the current members on the basis of each member's contributions and loss experience for that coverage year. The amount of surplus to be distributed shall be established by the bureau after independent actuarial determination of the adequacy of reserves. No member whose contributions for the coverage year were insufficient to pay for its incurred liability losses and its proportional allocation of operating expenses may be eligible for a distribution. The bureau may establish a separate class of members whose funded reserve is established by bonds issued pursuant to this chapter. This class of members shall have premiums established to reflect both their risk exposure and the funding and repayment requirements for the bonds. In addition, the bureau may enter into agreements with sub-pools limited solely to funding reserves for the sub-pool. These agreements shall provide terms and penalties for payment of obligations. The term for membership of funded reserve members and funding only sub-pools shall be established by the bureau and may~~

1 ~~be any period of time in excess of three years not to exceed twenty years. Notwithstanding any~~  
2 ~~other provision of law, a member seeking to join the class of members with fully funded~~  
3 ~~reserves or a debt funded sub-pool may establish an irrevocable levy pursuant to chapter 6-8B~~  
4 ~~for payment of premium and bond redemption obligations.~~

5 Section 13. That § 3-22-17 be amended to read as follows:

6 3-22-17. ~~Nothing in this chapter may be construed to be in conflict with or to expand~~  
7 ~~governmental or sovereign immunity or any waiver of governmental or sovereign immunity~~  
8 ~~contained in the State Constitution, statute, judicial opinion, ordinance, resolution, or tort claims~~  
9 ~~act except as provided in § 3-22-10 which may be construed only to extend sovereign immunity~~  
10 ~~to the maximum extent allowed under the state or federal constitutions. The defense of~~  
11 ~~sovereign immunity shall always be raised in support of the provisions of § 3-22-10. In all cases~~  
12 ~~in which the fund is or may be involved, at any time prior to final judgment, the attorney general~~  
13 ~~shall notify in writing a claimant or claimants of his determination that a claim or any number~~  
14 ~~of related claims may threaten the financial viability of the fund and of his intention to raise the~~  
15 ~~defense of sovereign immunity. Pursuant to S.D. Const., Art. III, § 27, suits against the state are~~  
16 ~~authorized only for a covered claim to the extent coverage is provided in the coverage~~  
17 ~~document. Nothing in this chapter may be construed to otherwise waive or abrogate any~~  
18 ~~immunity or defense available to any state entity or employee.~~

19 Section 14. That § 3-22-20 be amended to read as follows:

20 3-22-20. This chapter is intended as direct state action within the meaning of federal  
21 antitrust laws. ~~If this chapter is found unconstitutional or any part of it is stricken by a court of~~  
22 ~~competent jurisdiction, which action frustrates the purpose of this chapter to provide limited~~  
23 ~~liability coverage for the member public entities of South Dakota, or is terminated by legislative~~  
24 ~~action, the assets of the fund shall be distributed as surplus funds are distributed pursuant to § 3-~~

1 ~~22-14. Sufficient funds or annuities shall be retained in the fund to fulfill any obligations~~  
2 ~~assumed prior to the dissolution of the PEPL.~~

3 Section 15. That § 3-22-22 be repealed.

4 ~~3-22-22. To allow an orderly transition from the present systems and programs to the~~  
5 ~~program established in this chapter, public entities may commence participation upon passage~~  
6 ~~of this chapter. Initial contributions of any public entity seeking membership in the PEPL~~  
7 ~~between March 1, 1987, and June 30, 1987, is established in § 3-22-13. The initial contribution~~  
8 ~~of any public entity seeking membership after July 1, 1987, shall be an amount determined by~~  
9 ~~the bureau in the manner subsequent contributions are determined in § 3-22-13. Coverage shall~~  
10 ~~be afforded a member at 12:01 a.m. on the day following receipt of a member's initial~~  
11 ~~contribution. Coverage is limited to claims accruing after commencement of coverage. Upon~~  
12 ~~receipt of an initial contribution the bureau shall issue a certificate of coverage stating the dates~~  
13 ~~and conditions of coverage. No claims against any member may be paid prior to June 30, 1987.~~

14 Section 16. That § 3-22-23 be repealed.

15 ~~3-22-23. After June 30, 1988, coverage for any public entity seeking initial membership~~  
16 ~~shall coincide with the coverage year as defined in § 3-22-16, upon payment of the contribution~~  
17 ~~as determined by the bureau.~~

18 Section 17. That § 3-22-24 be repealed.

19 ~~3-22-24. The minimum period of initial membership except for the state, shall be three~~  
20 ~~coverage years. Any member joining prior to July 1, 1987, may not withdraw until June 30,~~  
21 ~~1990.~~

22 ~~Any member may withdraw from the pool at the end of the initial three-year period of~~  
23 ~~membership or at the end of any subsequent coverage year by giving at least one hundred~~  
24 ~~eighty-days' notice in writing to the bureau of its desire to withdraw. The member shall not be~~

1 ~~entitled to any reimbursement of contributions, dividends, or credits that are to be paid or that~~  
2 ~~shall become payable in the future, and shall continue to be obligated to make any payments for~~  
3 ~~obligations which arose prior to the member's withdrawal. The bureau shall continue to service~~  
4 ~~any claim pending upon the withdrawal of the member.~~

5 Section 18. That § 3-22-25 be repealed.

6 ~~— 3-22-25. Notwithstanding any other provision of this chapter, no part of this chapter~~  
7 ~~providing liability coverages for any public entity or employee shall become effective until the~~  
8 ~~bureau has filed a statement with the commissioner of administration indicating that at least~~  
9 ~~thirty public entities, other than the state, have filed binding commitments with the bureau to~~  
10 ~~become members and at least five hundred thousand dollars in contributions have been received~~  
11 ~~by the bureau.~~
